1. How many buses will your band use for the Area D contest? _____

2. Will your buses remain with you for the entire time that you're at Bastrop
Memorial Stadium? _____

3. Please indicate whether you will be staying through the end of prelims,
whether you plan to leave following your performance, or whatever your planned
time to leave might be.

4. Describe all of your equipment vehicles: (18-wheeler, 20' UHaul, etc)

5. Will you be using any wireless mics or wireless ear monitors? _____

(When you are not performing, only receivers can be on. You can scan and sync frequencies, but no transmission of Radio Frequency is allowed until the band in performance in the stadium has concluded their performance. Once they have concluded their performance, you have a two-minute window of time to check your radio frequency. You should never check your radio frequency while a band is performing in the stadium.)
