Instructions for Pre-Order Meals

When you check-in you will receive an envelope. Printed on your envelope is the time you scheduled for your meals to be picked up by your students and the total amount of each type of meal requested.

Inside the envelope there are a corresponding number of Red Tickets for Tender Rolls and White Tickets for Hamburgers/Black Bean Burgers. The students can bring their tickets to the meal pick up area by the concession stand AFTER the time you scheduled to pick up their meals.

We will have people to help the process once the students arrive at the concession stand.

If you have any questions call or text Paul at 972-365-7702 or email at robinsonbandboosters@gmail.com

Thanks for ordering with the Robinson Band Boosters and good luck at the contest!
