Based on your draw at the fall region meeting, this is the performance order for 2020.

- It is very feasible that in 2020-21, when the new Moe & Gene Johnson HS (Hays CISD) becomes Class 5A, that Crockett HS may be moved back to the north zone.
- Also, there is a possibility that Dripping Springs may move to Class 6A.
- It is also possible that we may have to go back to a 5A and a 6A contest, depending on numbers in each classification. (In the 2020-2021 school year)

We will not know these things until the new UIL enrollment figures are announced in January 2020.

****NOTE: ALL HS bands will receive Judges' comments via Google Drive for 2019-2020**
